Quality Management System

Quality POLICY

Texeurop (BD) Ltd. is a Composite Knitted Fabric & Garments manufacturing company with a mission to be one of the leading exporters in providing the quality knitted garments from Bangladesh to various customers around the globe.

It's the policy of Texeurop (BD) Ltd. to ensure –

1. Customer satisfaction by all means.
2. Providing quality product as per requirement of the buyer.
3. Ensuring quality services in communication & timely delivery of the product.
4. To decrease the percentage of rework.
5. Evaluate the suppliers on yearly basis.
6. Give safe & hygienic working environment to workers.
7. Improve continually in the Quality Management System with every year to come.

THE SCOPE OF THE COMPANY

We are composite manufacturer & exporter of full range of knitted garments for men, ladies, kids/infant and any kinds of knitted items.

June 2019

Quality Objectives

- Reduce Rejection percentage of the garments.
- Reduce fabric rejection through strict monitoring & also reduce replacement percentage for the same.
- Reduce alteration percentage for every style.
- Reduce migration percentage of workers & increase employee satisfaction in the same time.
- To deliver Actual Fabric & Accessories as required by the Buyer.
- Increasing the export percentage in every year to come.
- Every supplier must achieve 90% satisfaction of the management of Texeurop during yearly re-evaluation process.
- Increase Customer satisfaction.
- Reduce customer complaint.
- Reduce breakdown percentage of all the machineries.
- Reduce Machine Maintenance timing.
- Ensure timely delivery of each order by meeting production target.
- Increase competency level of the company for each of the employees working in Texeurop by providing necessary training on time.

June 2019

Social policy

The Texeurop (BD) Ltd. is committed to the best human workplace practices. Our goal is to continuously improve our Human Resource policies and procedures through education, training, communication, and employees' involvement.

To that end the Texeurop (BD) Ltd. has identified eight (8) areas of importance. The Company commits to management review, employees' open communication, policy development and coordination with the BSCI standard to comply with all State/Local laws and Industrial/Factory laws of Peoples Republic of Bangladesh to provide a favorable employment environment that respects understands the needs of its employees.

The company commits to inform all employees of its policy and position on the BSCI standard. All employees will be made aware of the Policy and Company Statement upon implementation. Going forward all new employees will be trained on BSCI in new employees' orientation. Periodically throughout the year the company will reaffirm its commitment to the BSCI policy through employee communications such as office notice, demonstration and payroll stuffers.

The eight (8) identified areas are:

- i. Child Labor
- ii. Forced Labor
- iii. Health and Safety
- iv. Freedom of Assembly/ Right to Collectively Bargain
- v. Discrimination
- vi. Disciplinary Practices
- vii. Working Hours
- viii. Remuneration/ Compensation
